

# TC-001-PF-UT [Fail]: Error in the Education Data Preview on the COTO Jobs Page

Report by: Diego Garcia    Date: 12/04/2023

## Web Version

Version: 12/04/2023

## objective

Verificar el buen funcionamiento del área Estudios dentro de la vista previa del apartado de curriculums y su correcta visualización en base a lo seleccionado.

## Preconditions

1. Have internet access
2. Have a device that allows internet access (Computer/Mobile)
3. Use a specific browser (Chrome, Firefox, Opera, etc.)
4. Have the access link to the website

## description

The website contains a section where users can fill out information to build a resume for the company. One of these sections is "Education," where users enter academic details. However, when entering an academic record with the current date (2023), the preview incorrectly displays the year as 2022, which does not match the user's input.

## Steps to reproduce

1. Open your browser.
2. Enter or click the link to the COTO jobs page.
3. Access the site as a new user (landing page).
4. Click the three-line icon (hamburger menu) in the top-left corner.
5. Select “Trabaja en sucursales” (Work in branches).
6. Fill in your personal information.
7. Go to the Education section.
8. Add your academic certificate details, including dates.
9. Enter a job posting from the “Trabaja en sucursales” section by clicking “Ver +”.
10. Go to “Mi CV” to view the personal, academic, and work data.

## Validations Checks

1. Verify that the website loads correctly.
2. Confirm that the main navigation menu is present and includes sections like "Home," "Trabaja en sucursales," "Primer empleo," "Profesionales," "Puestos ejecutivos," etc.
3. Ensure that the “COTO EMPLEOS” logo is visible in the top-left corner.
4. Check that all input buttons function properly.
5. Confirm that the input fields and buttons ("Guardar estudio" in red, "Cancelar" in white with red borders) are working and visible.

## Test Data

1. Education Level: Tertiary
2. Study Status: In Progress
3. Start Date: November 2023
4. Institution: Other
5. Degree Title: Website Design and HTML Language

## Expected result

When accessing the Education section and filling in the required fields, after entering the current date (2023) and clicking "Save," the preview should display the selected date correctly.

## Actual result

When accessing the Education section and filling in the required fields, after entering the current date (2023) and clicking "Save," the preview incorrectly displays the year as 2022.

## Status: Failed

After following all the steps, the result was not as expected.

## Additional Information

A link with visual evidence will be attached along with the bug report documentation.  
The browser used for this test was Opera GX.
